Crossing frontiers, once again, Agatha Ruiz de la Prada is expanding her philosophy about fashion all over the world. This time the appointment is China, where she is planning to open stores soon.

For the first time Agatha Ruiz de la Prada presents her showroom during the New York Fashion Week for her new S/S 2008 collection. City where the designer "agathiza" a dress with Snoopy's images for a charitable catwalk.

Agatha Ruiz de la Prada will be once again taking her colourful catwalks to Latin America, such as Santo Domingo, where she recently presented her S/S 2007 collection, and also is planning to present S/S 2008 collection in Colombia, specifically in Medellín.

The Lisbon Zoo will be the chosen place to open a new playground, all made by Agatha Ruiz de la Prada.

Her catwalks are always full of surprises, this year she will add new technologies to the fashion world. Agatha Ruiz de la Prada will launch her new MP3's together with the new perfume "Beso". Both of them will be presented during her S/S 2008 fashion shows in Cibeles and Milan.

Coming soon, Greece, another country that will be "agathizado" where not only this last collection will be offered, but the new children collection will be added.

A new polar collection is considered one of her future plans that will be launch in France, where the designer will fill the whitest winter with all her colour icons.

2008

Her Autumn/Winter 08-09 Collection presented in Madrid and Milano has been a success with the best critiques.

In the starting months of 2008, Agatha exposes one of her dresses in the Beijing Cervantes's Language Institute. She presents her new line of jewels in gold and diamonds and her new line of carpets. Also, she designs a new line of Nocilla glasses and a BIC lighters collection.

Agatha presents her woman collection in the Craiova Fashion Week, in Rumania and in Aguascalientes and Puebla, Mexico.

During the month of May she shows her bride's collection for the third year in the Europe Port Fashion Show and does an exhibition of her retrospective in the museum of Antioquia in Medellin, Colombia. The same month, designs her own space of delicatessen in Spanish well known Giangrossi ice-cream store.

In June, she presents in the Soho of New York, with other Spanish designers, a selection of the best works exhibited in Cibeles Fashion Week.

In July, she makes her Girl S/S 2009 in the Florence Pitti Bimbo Show and, during the same month, she makes a Fashion Show in Almagro called "Fashion and Classics", with five dresses inspired on the play *La Dama Boba (The Stupid Lady)* by Lope de Vega.

In September 2008, Agatha was in Paris to work with Maison & Objet in its 16th edition. This same year she also launched her first line of motorbike helmets.

Agatha presented her new prêt-à-porter S/S 2009 collection in Madrid Fashion Week and a special collection based on the painting of Velazquez *Las Meninas* in Milan Fashion Week. This collection has also been presented in Panama and Mexico.
